

BELL EARLY
COLLEGE ACADEMY

BELL

BUSINESS • EDUCATION • LEADERSHIP • LAW

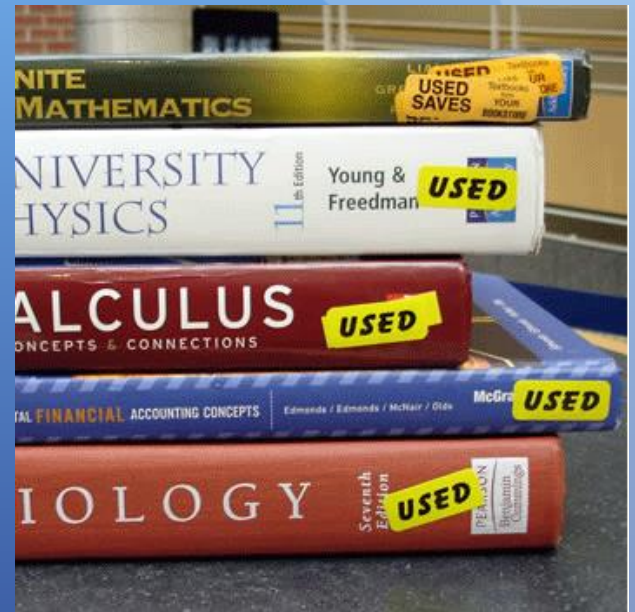

Being Excellent Leaders & Learners

What is an Early College?

A school that blends high school and the first two years of college in a rigorous and supportive learning environment.

In the BELL Academy you will receive college level coursework with a high school experience.

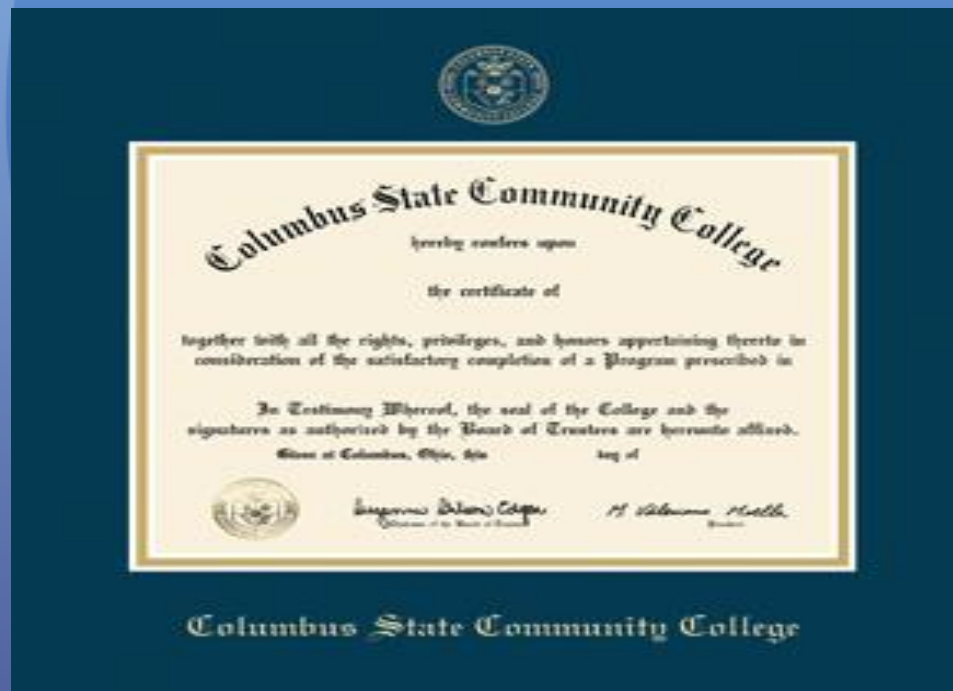

There are 4 things that make an Early College Special...

- College Credits are available to be earned prior to leaving high school!
- You can start taking college coursework as early as the first day of school your freshman year!
- Bell Early College Academy provides intensive support to you as you learn to be a college student!
- Bell Early College Academy students will receive college level coursework with a high school experience!

What makes the BELL Early College Academy special?

#1 Students may earn up to 60 college credits or a college degree, while in high school, saving thousands of dollars

What is the cost saving?

For the same class that is transferrable:

BELL Early College

$\$0.00 \times 3 \text{ credit hours} = \0.00

Columbus State Community College

$\$129.25 \text{ credit hour} \times 3 \text{ credit hours} = \387.75

The Ohio State University

$\$387.75 \text{ credit hour} \times 3 \text{ credit hours} = \1299.60

For a student who earns 60 semester hours while at Bell Early College Academy...

Cost for Completion of 60 Semester Hours:

- Attending **The Ohio State University** **\$23,265**
- Attending **Columbus State Community College** **\$7,755**
- Attending **Bell Early College Academy** **\$ 0**

This is a built-in Scholarship Opportunity for **EVERY** Bell Early College Academy Student!

Where will you take
your college classes?

Do you have to go
downtown?

Do you have to go to
Gahanna?
