

Design Challenge: Homework

Herbert Mills Heart Fest

Due: Monday, February 13th

Imagine

Create a container that can be used to collect Valentine's Day cards during our Herbert Mills Heart Fest on Tuesday, February 14th

Plan

You will need to work within the following constraints:

- ♥ Your container must be able to fit inside one part of your cubby
 - Top of cubby: 10½in wide, 11in tall, 12in deep
 - Bottom of cubby: 10½in wide, 29in tall, 12in deep
- ♥ Your name must be visible
- ♥ Your container must be made of recyclable goods
- ♥ The opening of your container must be at least 2 inches long and 2 inches wide so that cards will fit through
- ♥ Your design must include at least two different 2-dimensional or 3-dimensional shapes
- ♥ Your design must include one of the following words translated into different languages of your choice: heart, kindness, healthy, love, or fairness

Design & Improve

Create your container at home. Review the constraints with an adult and improve your design to make sure you haven't missed anything!

Return your container to school on Monday, February 13th

- ♥ All classrooms will be participating in a "heart healthy celebration" on Tuesday, Feb. 14th: beginning at 1:15pm. If you would like to donate items to this celebration, please contact your child's teacher!
- ♥ Do you work in the healthcare field? Would you like to speak to our students about your job or living a healthy lifestyle? If so, please contact your child's teacher!
