TRANSITIONING to Common Core just got easier with Pro-Core

Pro-Core is a unique learning system that has helped teachers prepare students for success on the Ohio Achievement and the Graduation tests for the past decade—and NOW, on the Common Core State Standards.

Student Login

The screenshot shows a login form with a logo on the left and three input fields on the right. The logo features a stylized 'C' and the text 'COMMON CORE STATE STANDARDS INITIATIVE' and 'PREPARING AMERICA'S STUDENTS FOR COLLEGE & CAREER'. The input fields are: a dropdown menu showing 'MtH: North Elementary', a text field labeled 'Login Number', and a password field with a masked password '.....'. A 'Login' button is located below the password field. Three red callout boxes with arrows point to the dropdown menu, the 'Login Number' field, and the password field.

to find
Form C

The screenshot shows the Pro Core CCSS Focused Diagnostics interface. At the top, there are navigation tabs for 'Soc. Studies', 'Math', 'Reading', 'Science', and 'Writing'. The 'Math' tab is selected. Below the tabs, there are buttons for 'Refresh List', 'Other Assessments', and 'PROgress Report'. A key is provided for the assessment results: 'Not yet taken' (grey), '> 79%' (blue), '60% - 79%' (green), '45% - 59%' (yellow), and '< 45%' (red). A 'Constructed Response' icon is also present. The main content area displays a list of assessment items in a two-column grid:

01 OAT: Interpret a multiplication	14 NFR: Express a fraction with den
02 OAT: Multiply or divide to solve	15 NFR: Use decimal notation for fr
03 OAT: Solve multistep word proble	16 MDA: Know relative sizes of meas
04 OAT: When given a whole number i	17 MDA: Use the four operations to
05 OAT: Generate a number or shape	18 MDA: Apply the area and perimete
06 NBT: Recognize in a multi-digit	19 MDA: Make a line plot to display

Your Name and Teacher
will appear here.

Guidelines:

1. Relax and take your time
2. Use your best thinking
3. Answer all the questions

A lot of the questions may be on new content that you have not been taught. Just give your best answer.

FORM A: M4a On-Line Test

Click on the **Form C**

Caution
If you open the test an automatic **Bookmark** is generated.

This is a single-use test only

The screenshot shows a test interface with a dark grey border. At the top center is a 'Start' button. The main content area contains the following text: 'Current Test: FORM A: M4a On-Line Test' in blue, 'Instructions: answer for each question then click Next.' in black, and 'When you are finished, click the Finish button at the top of the screen to review your score.' in black. At the bottom center is another 'Start' button. Two red callout boxes with white text are overlaid on the screen: one on the left says 'Test to be taken' and one on the right says 'Click on Start'. A red arrow points from the 'Click on Start' box to the top 'Start' button.

(23) Q.23/50:

A map of Andrew's neighborhood is shown below. Andrew lives on the street that appears to be parallel to the railroad tracks.

On which street does Andrew

- A Washington Street
- B Lincoln Street
- C Adams Street
- D Jefferson Street

This (23) in parenthesis is the Pro-Core Standard

Note that we are looking at q. 23 but there is one question skipped.

Which question is still black?

Selected answer turns blue and so does the q. number

Click here when you've completed the test and answered all the questions (all question numbers should be blue)

**This is q. 50 of a 50 q. test
If you've answered all the questions and don't need to re-check a q. then **Finish Test/Submit Answers****

Notice that the NEXT button disappears when you are on the last question.

The screenshot shows a test interface with a list of questions on the left and a question on the right. A dialog box is overlaid on the screen, asking for confirmation to finish the test. The dialog box has two buttons: 'OK' and 'Cancel'. A red arrow points from the 'Cancel' button to a red callout box on the right. The question on the right is: '(25) Q.50: Which of the following does NOT occur when using a credit card instead of currency?'. The options are: A possible service fees, B accrued interest on unpaid balance, C (highlighted in blue), and D. The question number '25' and 'Q.50' are in blue. The question number '19' and '20' are in black. The 'Previous' button is visible at the top left and bottom left of the interface.

Caution: if you get this message
Click **Cancel** to return to test and unanswered questions

You will get this warning if you try to **Finish Test/Submit Answers**
And you haven't answered all the questions
(look for the unanswered q. numbers in left column that are black)
