Our School

We are a close-knit PBIS school that intertwines fun and adventure into our learning. We hold regular schoolwide assemblies so that we are able to come together as a school to celebrate success and student achievement! We focus on providing students with positive conflict resolution experiences and provide them with the tools to build healthy relationships through a restorative practices approach. At Slate Ridge, we focus on providing each student what they need in order to be successful socially, emotionally, and academically.

Mission

At Slate Ridge we know our students so well that we are able to personalize their learning experience academically, socially and emotionally in order to nurture the needs of the whole child.
