

The 9X Impact

Reynoldsburg High School

Parent Information Meeting
Tuesday, Feb. 12 and Wednesday, Feb. 13
RHS- Livingston Campus

District Mission and Vision

MISSION STATEMENT

Empowering leaders who impact the NOW and innovate the FUTURE.

FOCUS AREA VISION STATEMENTS

Student Learning: Enable students to take ownership of their learning and achieve full potential through challenging, engaging and relevant learning experiences.

Student Experience: Build an inclusive community where students feel safe, supported, and engaged.

Communication: Promote a school community culture that allows all involved to have a voice and remain informed.

Finances: Equitably distribute resources to promote instructional programs that will support the district mission.

Why 9X Impact?

Empowering leaders who impact the NOW and innovate the FUTURE.

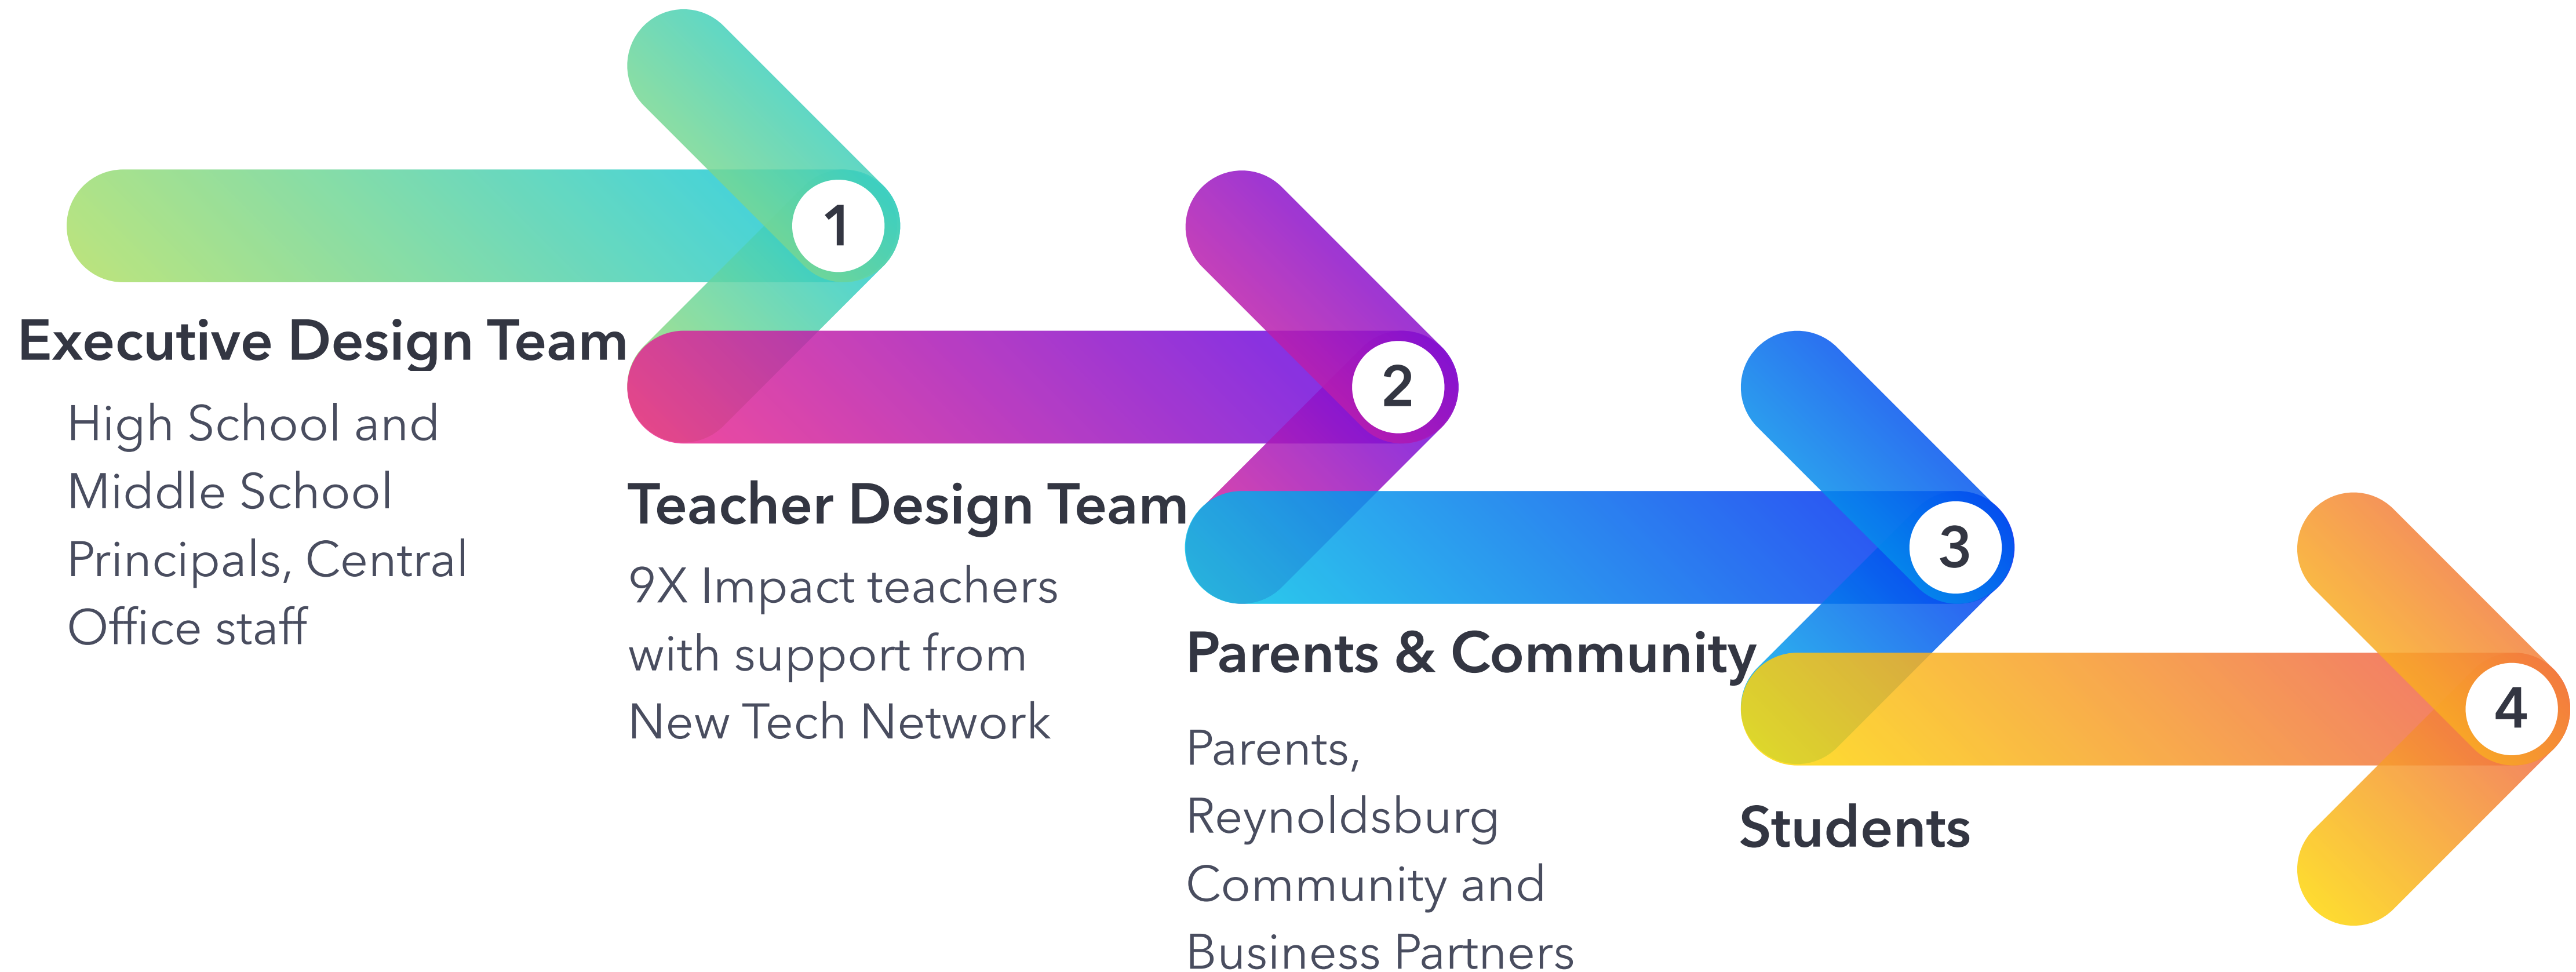

The Foundation

Future Meeting Topics:

- Courses and Scheduling
- Graduation Requirements
- Pathway Exploration Plans

Program Development

The Pillars of 9X

High School Ready

Ready for the academic demands of high school.

Social-Emotional Focus

Intentional school community.

Future Focused

Preparing for the fiercely competitive future.

Inspired Academy Choice

Choose the Pathway that best fits interests.

High School Ready

Create a safe and inclusive learning environment.

Instruction will be targeted to specific learning needs and learning goals.

Study skill development will be embedded into instruction.

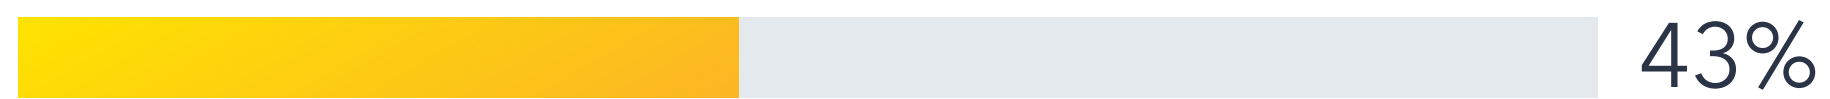

Instruction will allow for differentiated path, pace and performance tasks that promote themes of study that are relevant and demand integrated content.

Ongoing student reflection and exploration that will promote student empowerment of their learning.

Social-Emotional Learning

9X Impact will build an intentional school community through empathy and trust.

Stress Management

Depression

Anxiety

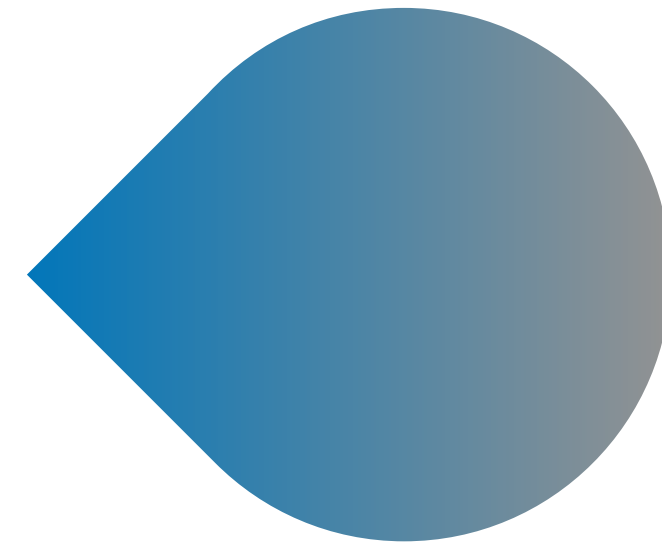

(SEL) is the process through which children and adults understand and manage **emotions**, set and achieve positive goals, feel and show empathy for others, establish and maintain positive relationships, and make responsible decisions.

Future Ready

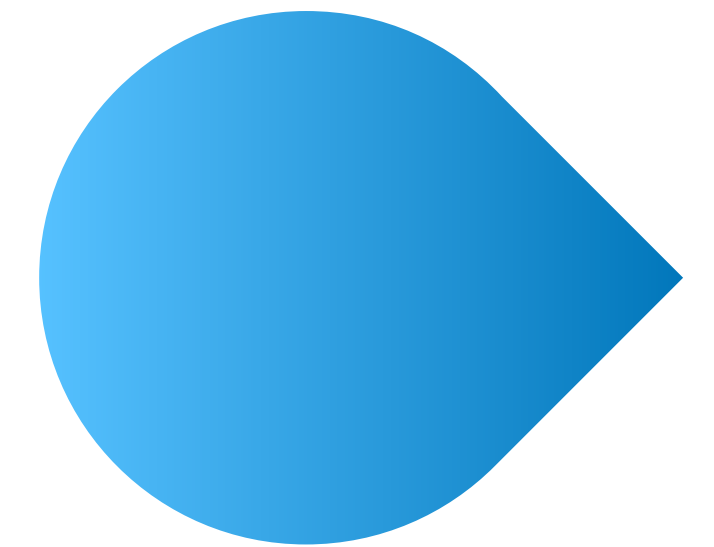

9X Impact will
prepare students
for the fiercely
competitive future.

Projects that tackle real-world problems.

Authentic skill application.
Makerspaces.
Project Based Learning.

Empower students as creators.

Inspired Academy Choice

9X Impact will provide opportunities for students to:

- explore their passions
- identify their interests and strengths
- experience available pathways
- choose their pathway and Academy home through a Declaration Process

A Path to Innovation

The four New Tech Network design pillars guide school and district transformation

**OUTCOMES
THAT MATTER**

**TEACHING
THAT ENGAGES**

**CULTURE THAT
EMPOWERS**

**TECHNOLOGY
THAT ENABLES**

Non-Negotiable Elements of Project-Based Learning

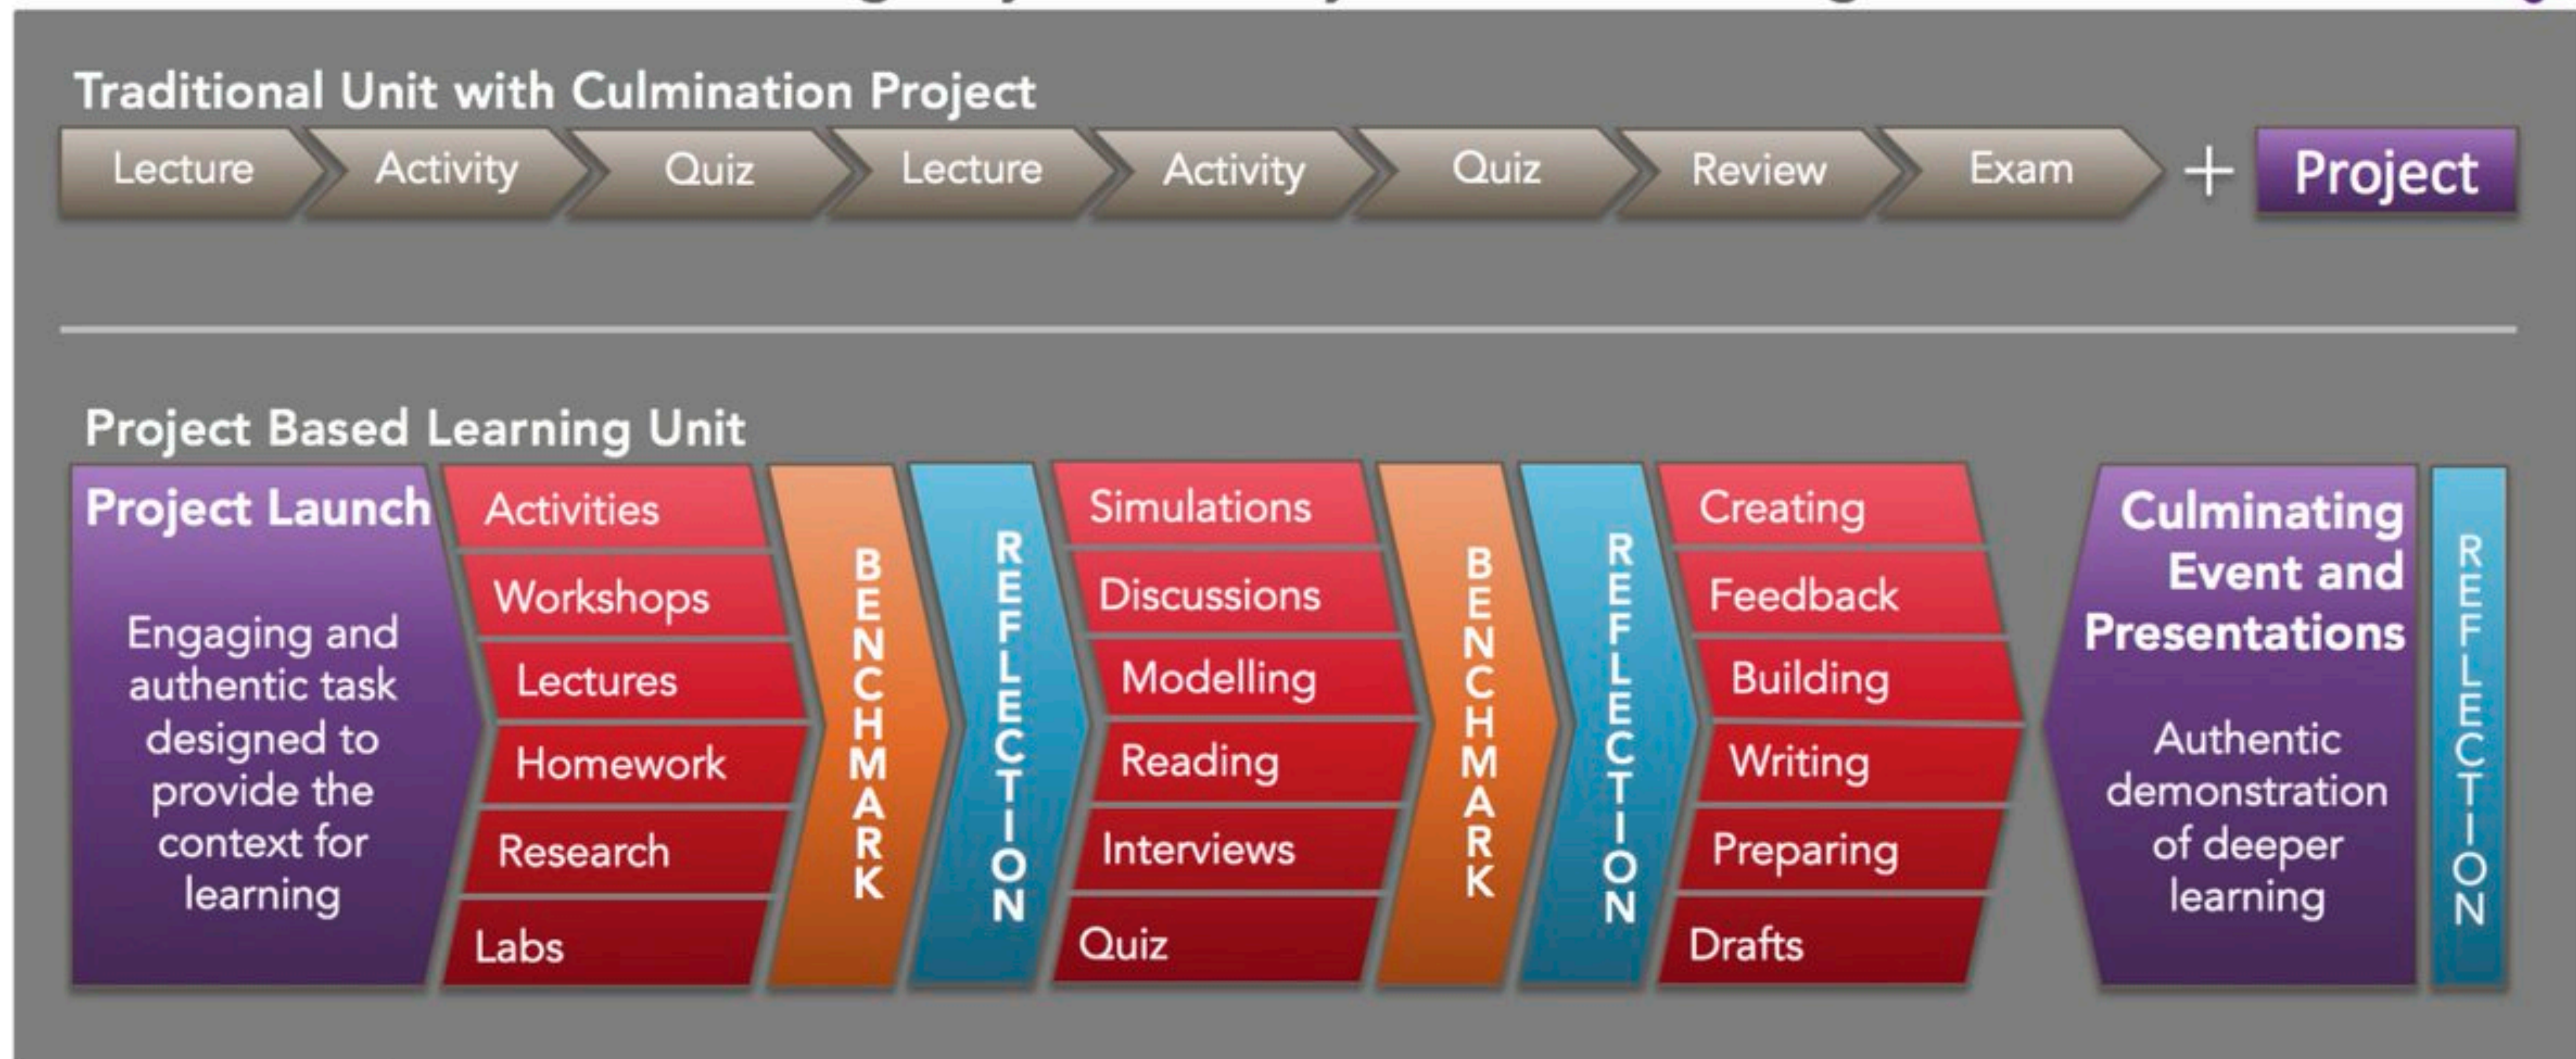

- 1 Driving Question
- 2 Entry Event
- 3 Need to Knows
- 4 Group Contracts
- 5 Formative & Summative Assessment
- 6 End Product

Project Based Learning

Real-world projects that engage students through inquiry. PBL will empower students to think critically about new and innovative ways to apply their learning.

Physical Space

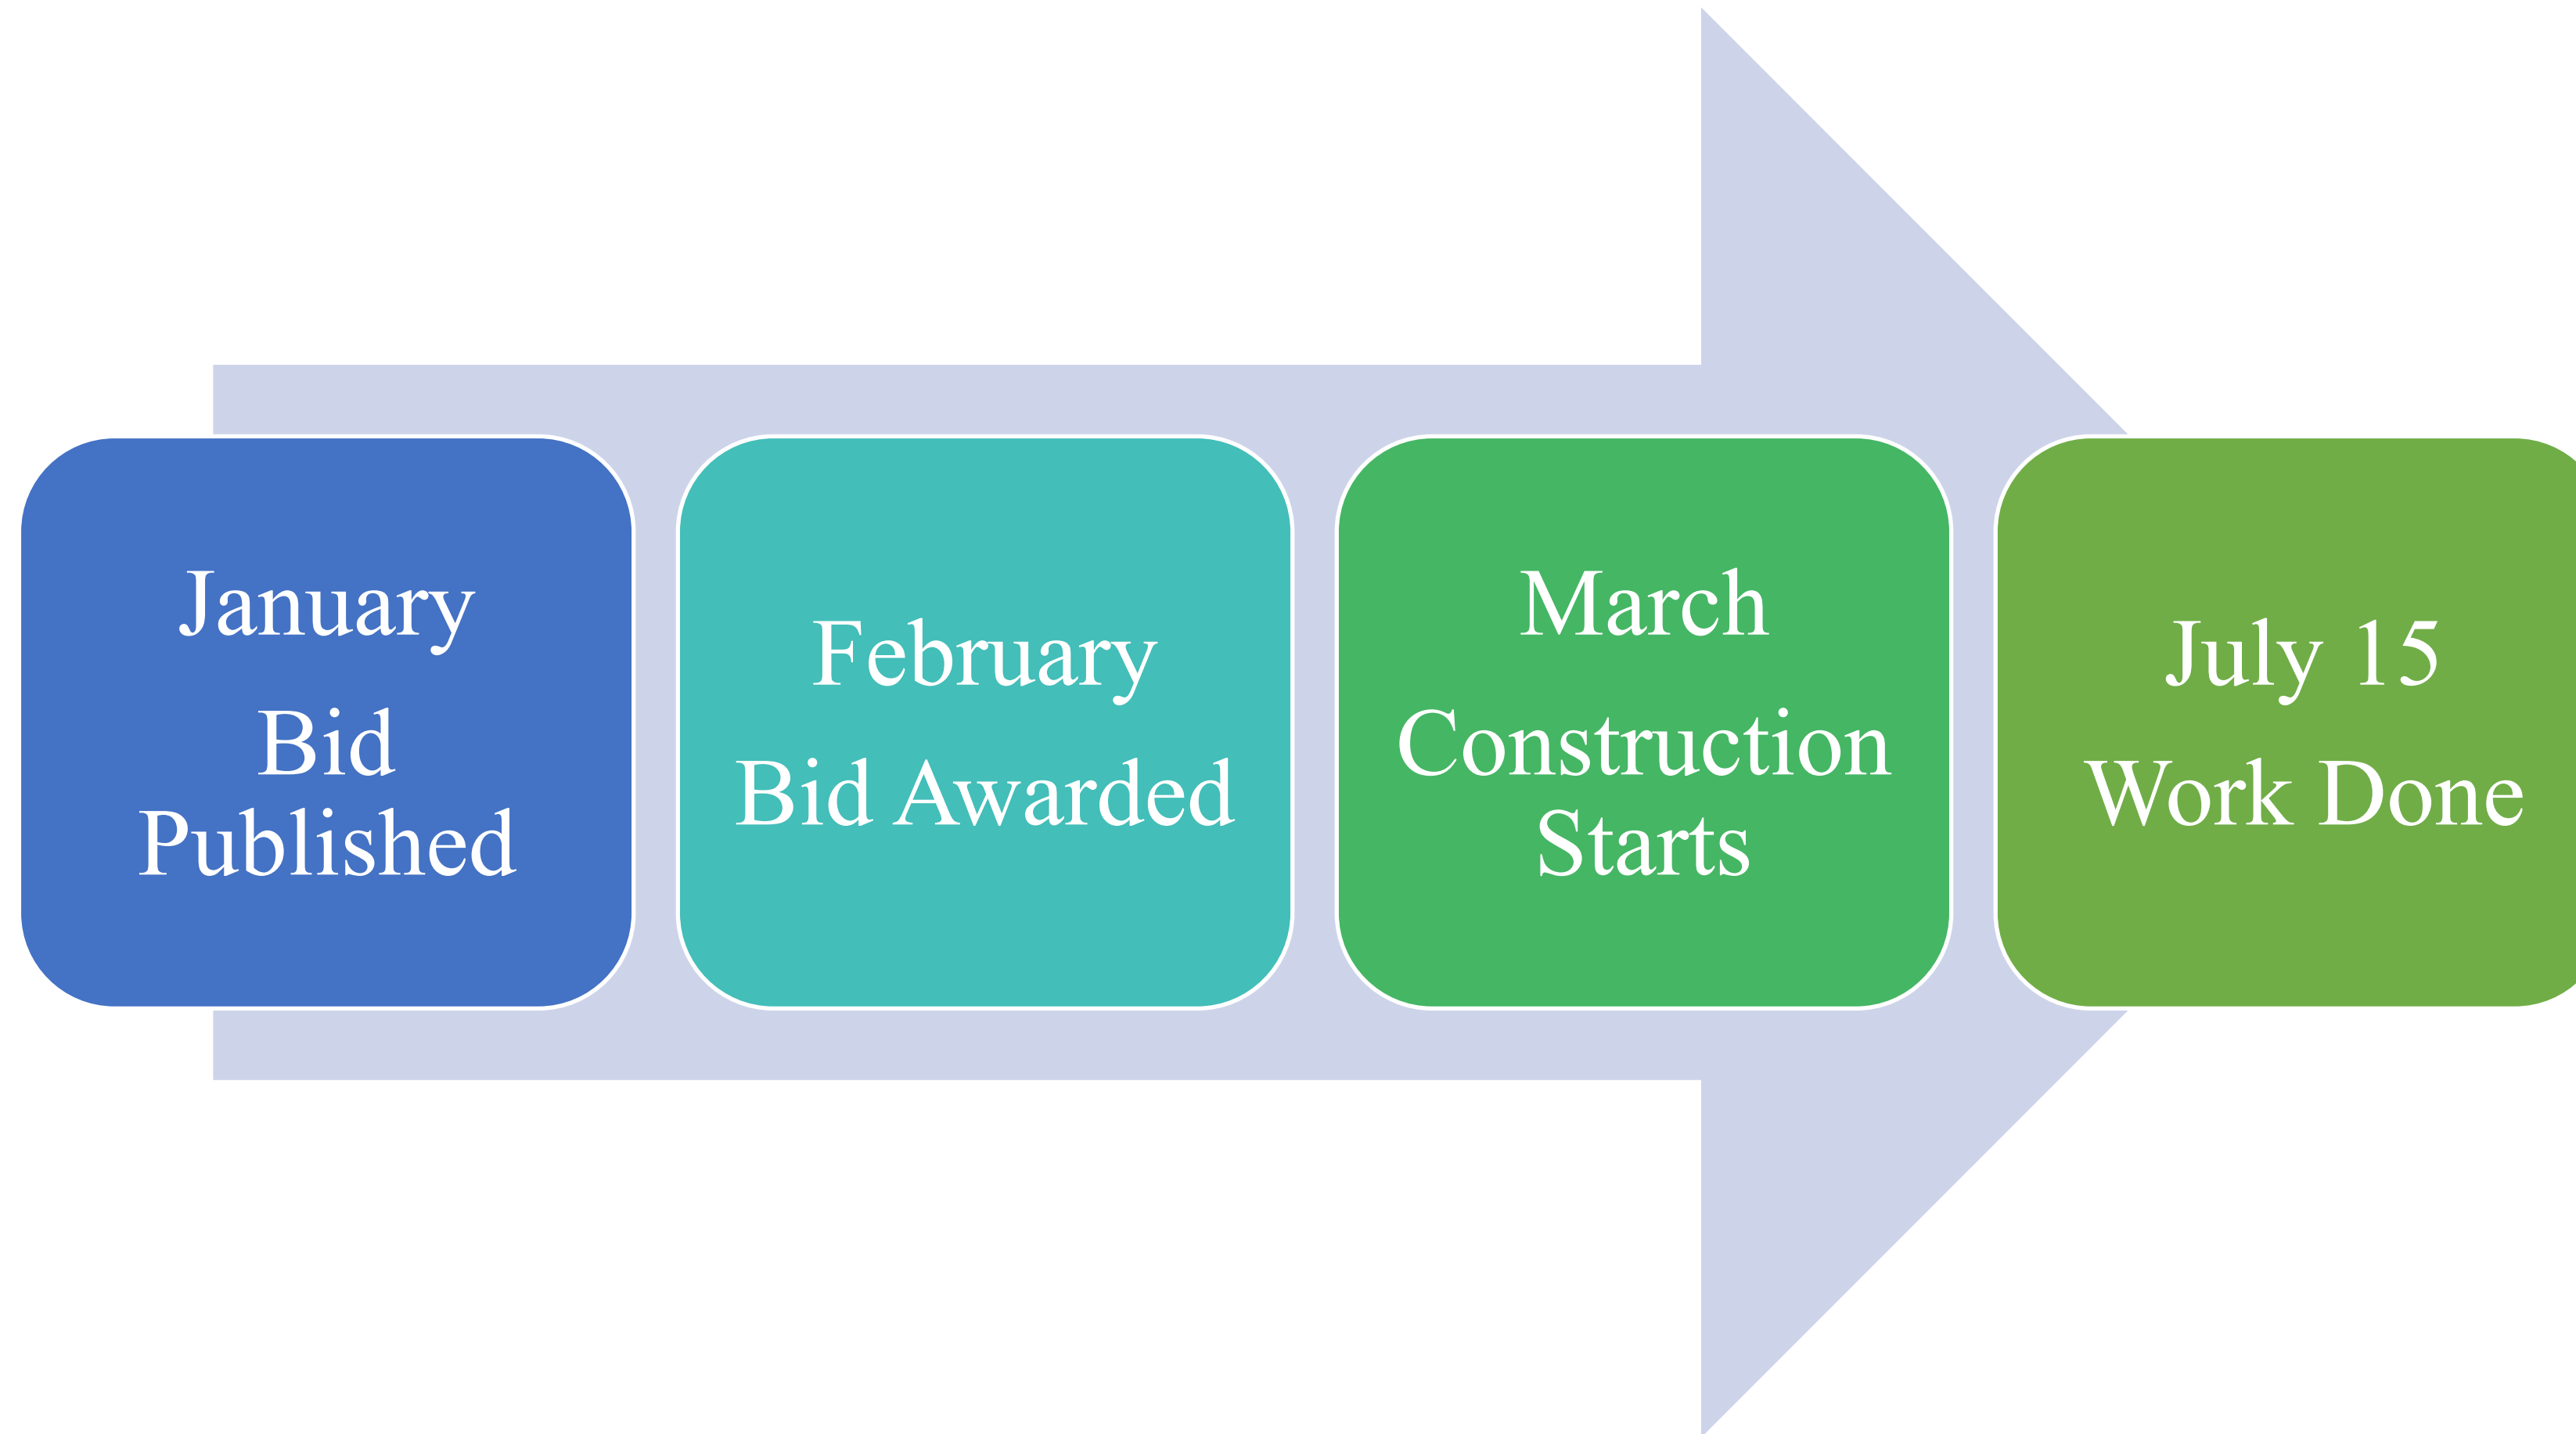

Physical Space

- 2nd Floor at Livingston
 - Provides pod opportunities for teams
 - Open configurations
- Designated 9X Entrance
- Reception area for 9X
- Exterior signage for 9X and Livingston Campus
- Redesigned School Store
- School Day: 8:50 am - 3:20 pm

Construction @ RHS-Livingston

Empowering leaders who impact the NOW and innovate the FUTURE.

Teaming

9X Impact will be team-based.

Why teaming for 9X Impact?

- We will organize in teams to foster purposeful learning and to encourage opportunities to build meaningful relationships through smaller learning communities.

How are team placements created?

- The teams will be created to ensure that each team is balanced to reflect the rich diversity of our student body while also balancing class sizes.

Are all activities team based?

- We will include many whole-grade activities for students to interact with students from other teams throughout the year.

Empowering leaders who impact the NOW and innovate the FUTURE.

Focus Groups

- Mechanism for two-way communication
- Offer insights into current planning
- Inform planning
- Ensures parent-voice in design process
- Parent and Student Focus Groups forming

Empowering leaders who impact the NOW and innovate the FUTURE.

Summer Bridge

Summer School: June 3 - 27

- Targeted for students who may need additional help to be on-track for 9th grade.

Summer Bridge: Aug. 6, 7, 8

- Summer Bridge program will be created by Teacher Design Team.
- Goal is to facilitate a smooth transition.
- Raider Check-In

Courses

Planned courses. Design Team will finalize courses and elective offerings.

ELA	Social Studies	Math	Science	Electives
ELA 9	World History	Integrated Math 1	Physical Science	Music
ELA 9 Enriched	World History Enriched	Integrated Math 2	Introduction to Engineering Design	World Language
		Integrated Math 3		Design Team will finalize offerings.
				Design Team will finalize offerings.
				Design Team will finalize offerings.

These courses all support the Academy Pathways for grades 10 - 12.

STUDENT SERVICES

Gifted Services

Superior Cognitive, Reading, Math, Science, Social Studies, Creative Ability

9X will continue current high school gifted service model.

Remind Sign-Up

If you have a smartphone, get push notifications.

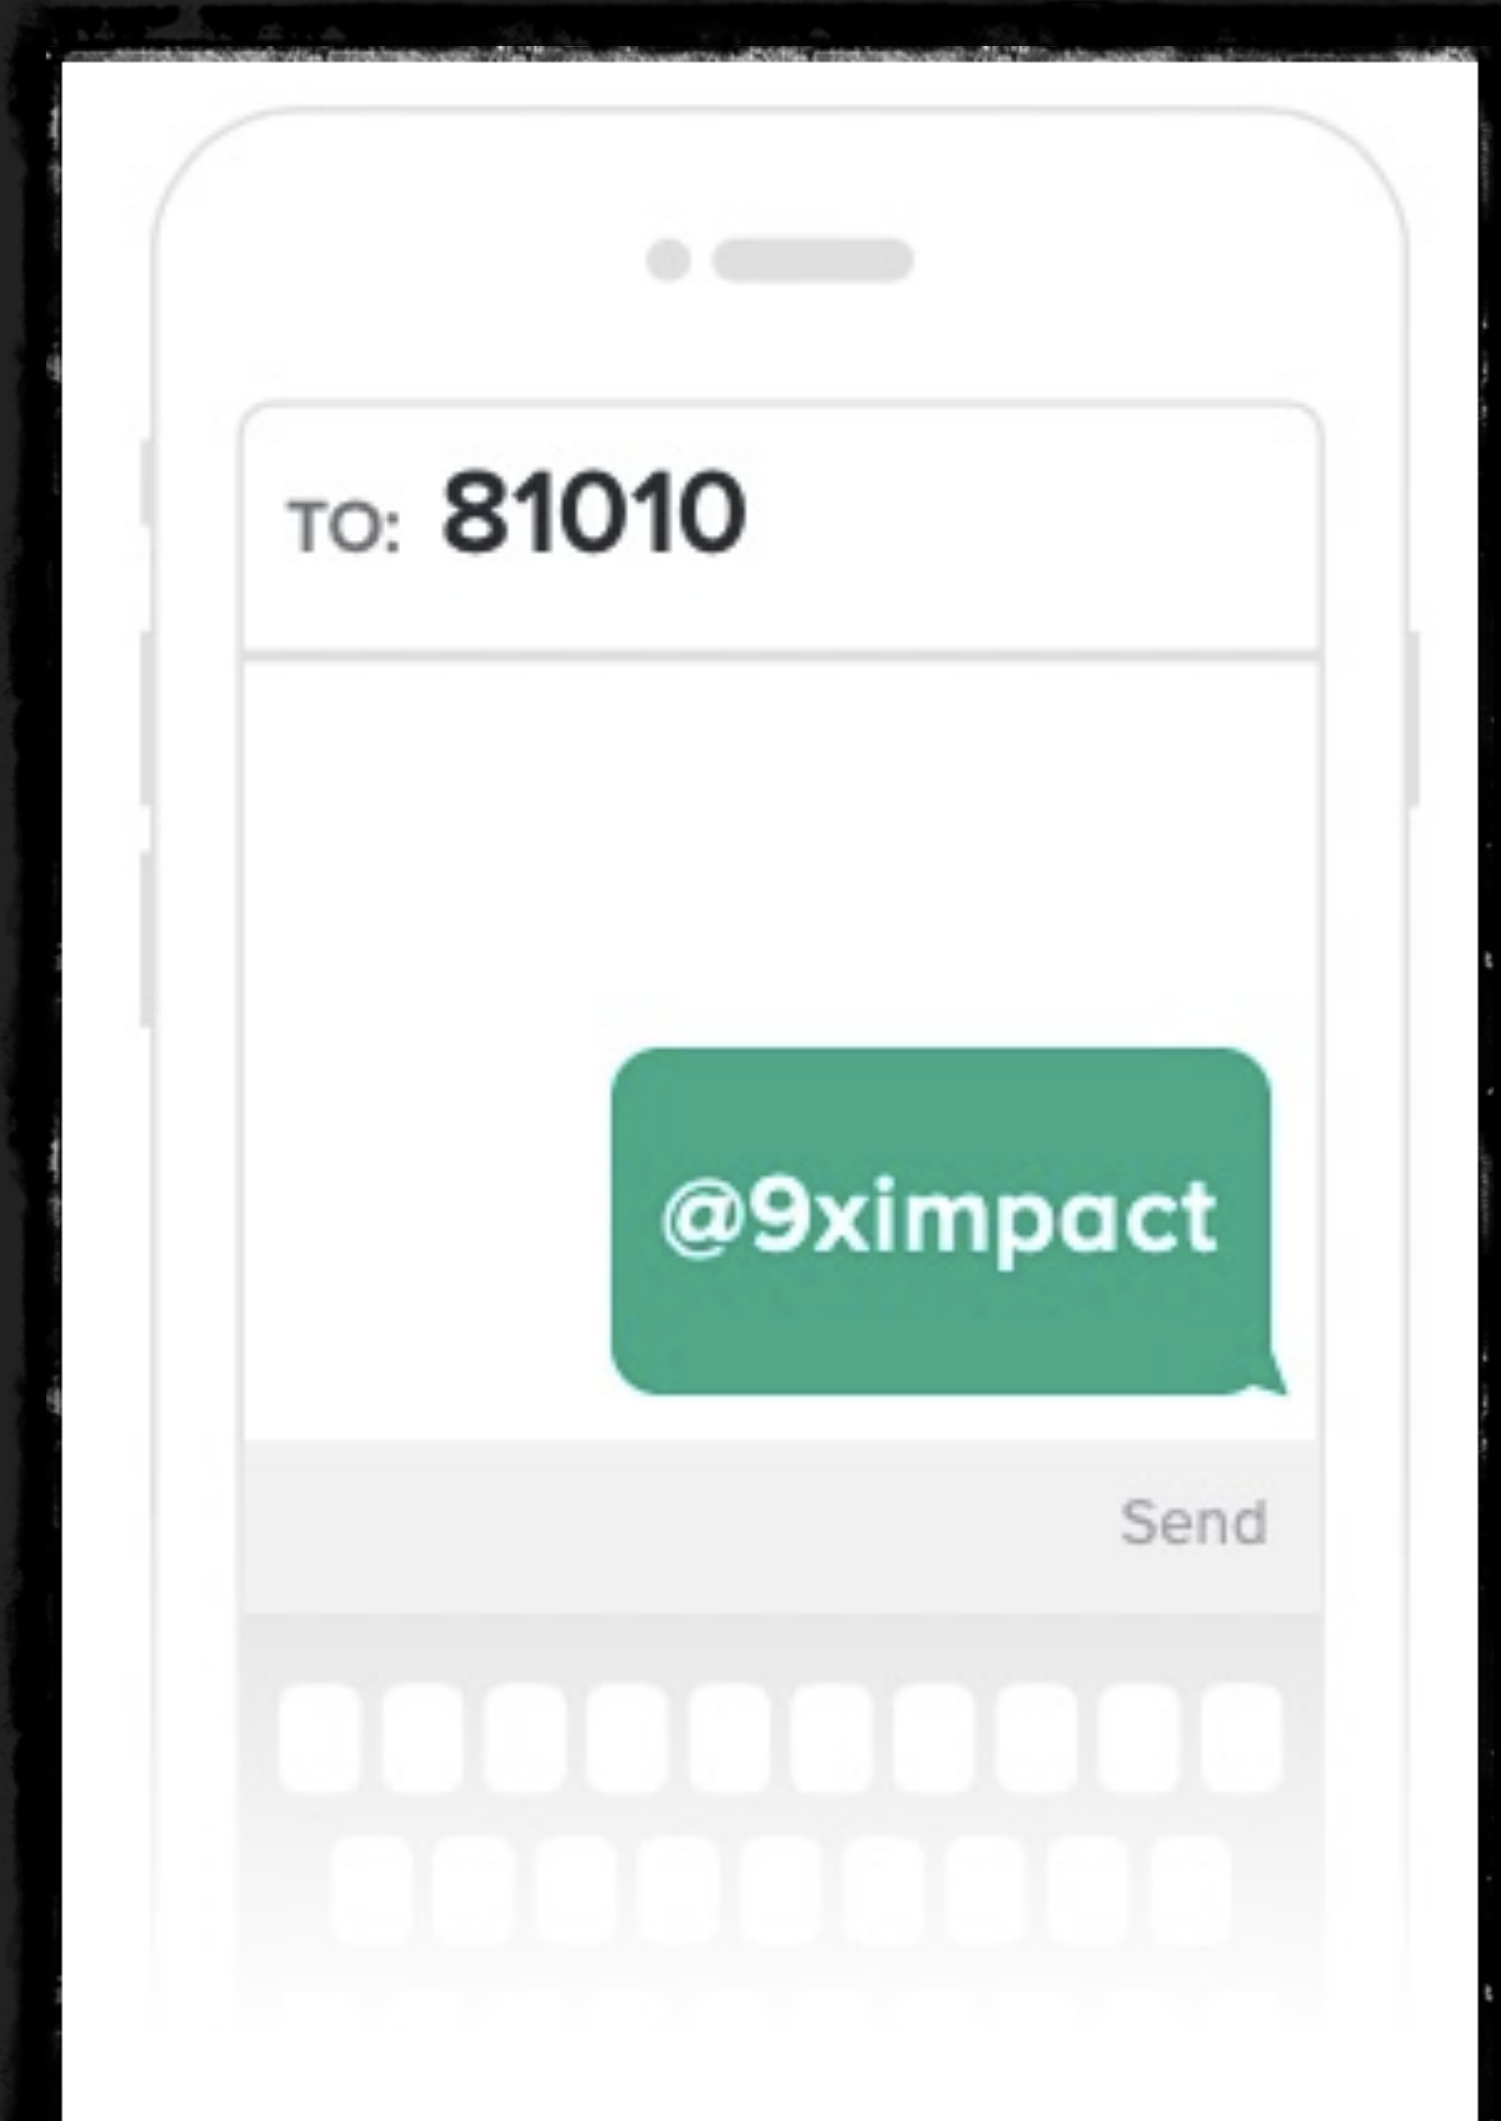

On your iPhone or Android phone, open your web browser and go to the following link:

rmd.at/9ximpact

Follow the instructions to sign up for Remind. You'll be prompted to download the mobile app.

A smartphone mockup displaying a web browser interface. The address bar shows "rmd.at/9ximpact". The main content area features the heading "Join 9X Impact" and two input fields: "Full Name" with the placeholder "First and Last Name", and "Phone Number or Email Address" with the placeholder "(555) 555-5555".

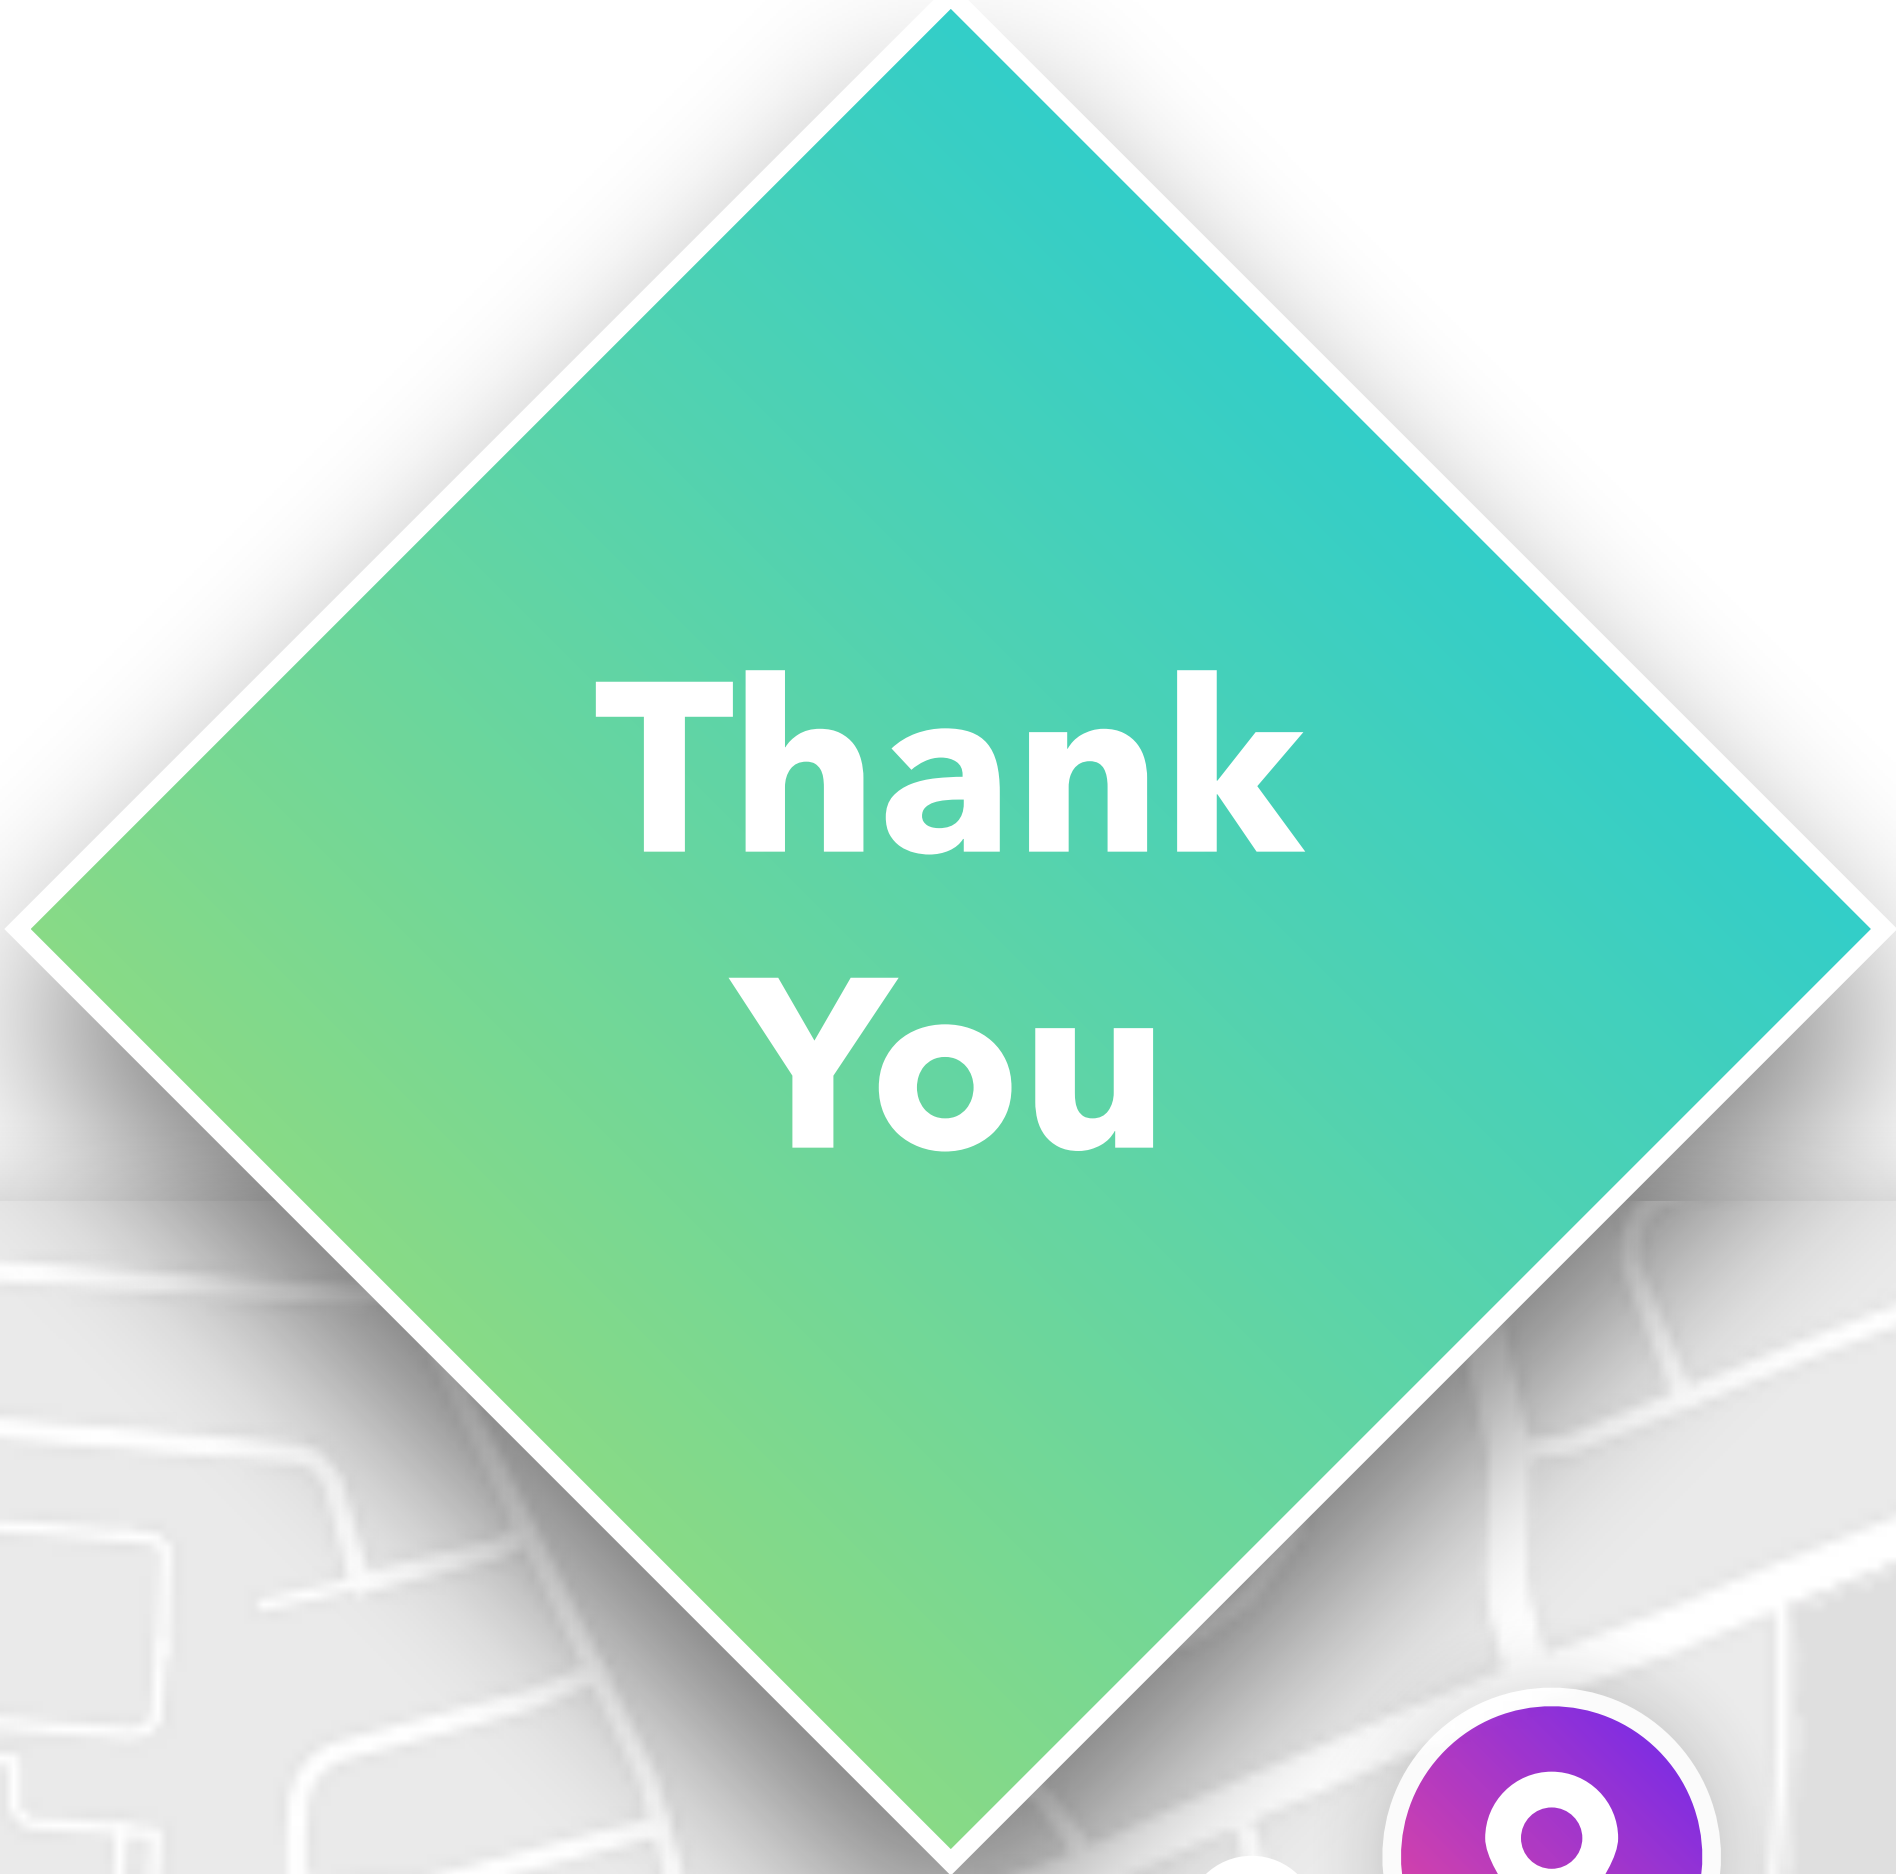

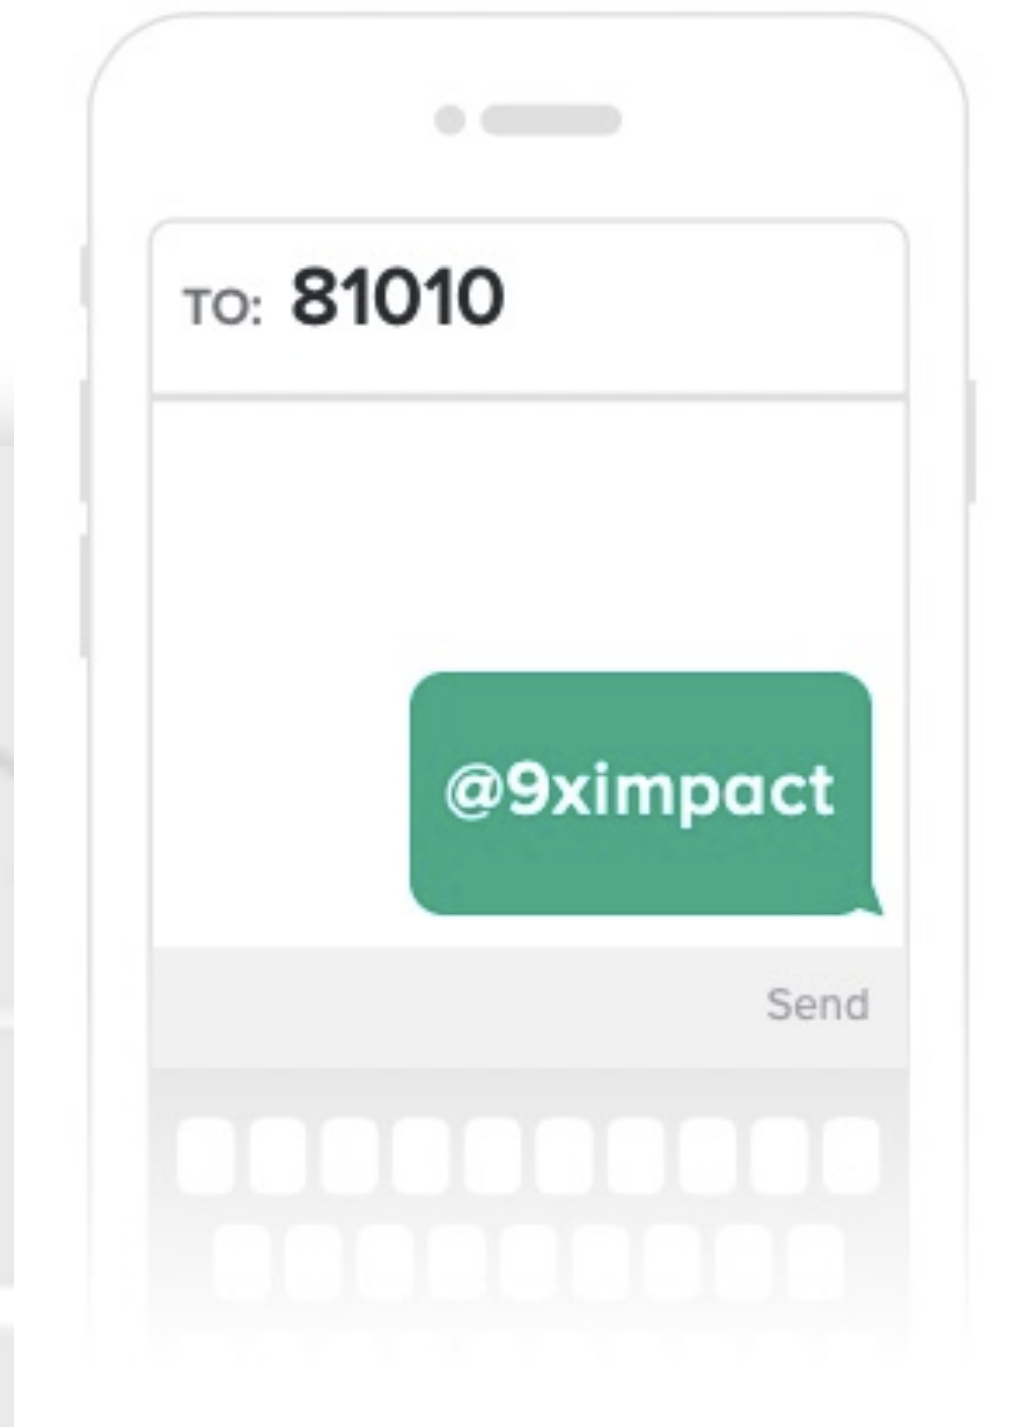

A smartphone mockup showing a text message interface. The recipient is listed as "TO: 81010". A green message bubble contains the text "@9ximpact". Below the bubble is a "Send" button and a virtual keyboard.
