Would you like to be able to show videos from YouTube in class?

Just follow these simple steps and you are on your way...

1) Go to the video you wish to download from YouTube or any other streaming video website.

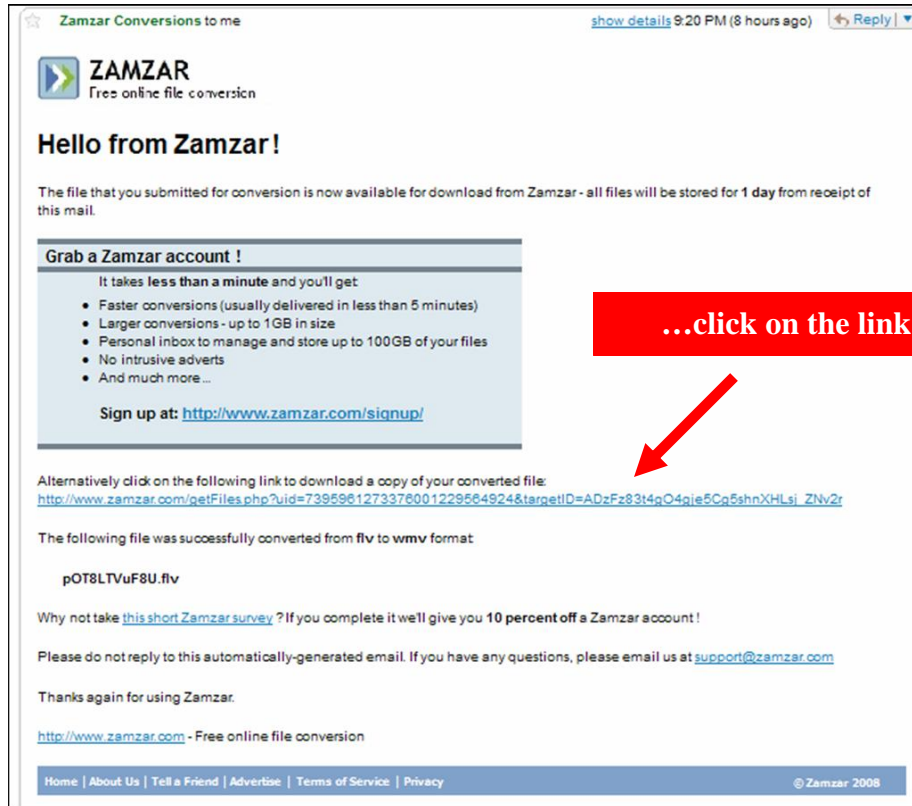

2) Go to www.zamzar.com

3) Soon you will get an e-mail saying that your file is ready for download. The speed at which you receive the e-mail depends on the time of day and how many people are using the site at the time.

4) Once you get the email...

5. It will take you to the website...

6. Save it to your flash drive and then you can bring it in and show it in class!
