Reynoldsburg High School  
Code of Conduct Signature Page  
2021-22

I understand the Code of Conduct and the behavioral expectations of the Reynoldsburg High School. I realize that failure to follow these policies will result in disciplinary consequences that can include expulsion from school.

I know that our Code of Conduct is in effect while I am under the authority of school personnel and/or during all school-related activities and events, even when such activities occur off school grounds. Our Code of Conduct applies to school buses, extracurricular events and to some alternative education programs.

In addition, our Code of Conduct includes misconduct by a student that occurs off school district property but is connected to activities or incidents that have occurred on school district property; and misconduct by a student that, regardless of where it occurs, is directed at a district official or employee or the property of an official or employee.
