## Welcome to Swashbuckling 101

Greetings from the high seas!

I am writing this from the hold of an enemy ship. The Pickeringtons have captured me and my vessel - luckily they have WiFi on board!

Looking forward to meeting all of you at our first meeting next Monday, August 19, 2020. Now to escape, recapture my ship *The Purple Nightmare*, and sail for the tomato fields of home!

See you soon!

R. Raider
