Our School

We are a close-knit PBIS school that intertwines fun and adventure into our learning. Each week, we hold a building assembly called the RISE which allows us to come together as a school and celebrate students' achievements, as well as focus on important issues and initiatives going on in our school at that time. Slate Ridge focuses on providing students what they need to be successful. Instead of expecting them to fit into our environment, we change the environment to best accommodate them. Students first!

We celebrate academic success each grading period with our families—we recognize students for outstanding academic achievement, growth as well as overall improvement! This year we will begin recognizing student performance in the arts and athletic ability as well.

Mission

At Slate Ridge we know our students so well that we are able to personalize their learning experience academically, socially and emotionally in order to nurture the needs of the whole child.

Parent Organization

The Slate Ridge Elementary School PTO meets on the third Thursday of the month from 5–6 p.m.

Clubs & Programs

- Kindness and Compassion Club
- Student Council
- Girls on the Run
- Social Skills Groups

Events and Partnerships

We host a fun get together each fall to kick off the school year (e.g. Fall Fest, Trunk or Treat) mother/son and father/daughter dance, literacy and math nights as well as a number of musicals and choir performances. We have an annual art show and

multiple book fairs. We have plenty of building traditions including our version of the Polar Express, 4th grade talent show, Camp Toucan, and our annual Tug-O-War competition. We have numerous guest speakers and in house field trips each year as well. Teachers put on musical performances for students throughout the year for various reasons. We spend a lot of time celebrating and having fun together as a school. We partner with Wesley Family Services.
