

2021-2022 Supply List for 5th and 6th Grade

Waggoner Road Middle School

Each student may choose between using a binder with tabs, Trapper Keeper, accordion folder, or other system for organizing all of their schoolwork, notes, etc.. While they have choice in what they use, all students must have something to help them stay organized. Students will also need a backpack and a pencil pouch or school box to hold earbuds, pencils, coloring utensils, etc.

We suggest a soft sleeve or a backpack meant to hold a laptop to hold a Chromebook (11.6") but it is not required.

Label ALL ITEMS with your child's FIRST AND LAST NAMES prior to the first day of school! You do not need to send all items into the building on the first day; keep some of it in a safe place at home so that it can be easily found when their supplies need to be refreshed or replenished. See the notes below to help you decide what to send and what to keep at home.
