

2020-2021 Supply List for 5th and 6th Grade

Waggoner Road Middle School

Each student must have a 2" binder with them each day. Tabs will be used to organize their notes, work, etc. by class in this binder. Students will also need a pencil pouch or school box to hold earbuds and their other belongings as they will need to keep their supplies separate from their classmates. Our students will not be physically switching classrooms so their supplies will be stored in their desk during the day and taken home each night.

Students will take their Chromebook home so we suggest a soft sleeve or a backpack meant to hold a laptop to hold the Chromebook (11.6") but it is not required. We highly recommend purchasing a plastic backpack as it is easier to sanitize. Students may not leave any items at school so please be sure to find a backpack that will comfortably hold a chromebook, their binder, a book, and school box/pencil pouch.

Label ALL ITEMS with your child's FIRST AND LAST NAMES prior to the first day of school! You do not need to send all items into the building on the first day; keep some of it in a safe place at home so that it can be easily found when their supplies need to be refreshed or replenished.

Since we are starting online, the supplies highlighted in teal below are essential. Once we return to school, students will then need the unhighlighted supplies. We recommend being prepared to create a workspace at home for any remote learning days. This workspace should have easy access to their school supplies and an outlet for Chromebook charging.

Item	Quantity/Package Size
Expo Dry Erase Markers (black)	4 markers
Earbuds or Headphones	1 but be ready to replenish!
